New CAA Superstore names top March Break destinations for 2007

Thornhill, Ont. – It's that time of year again — when thousands of families across the Kitchener and Waterloo areas will be escaping the winter by packing their bags to head out on vacation for March Break. According to CAA, the top three March Break destinations in the Kitchener and Waterloo areas for 2007 are Orlando, Las Vegas and Cancun.

Media are invited to attend the new CAA Superstore grand opening ceremony on March 2, 2007 at 11 a.m. important tips will be offered to travellers before they go on their March Break vacations.

- Make leaving and entering the country easier by having a valid Canadian passport (you need a valid passport when flying into the US)
- For safety reasons when leaving your resort always take a friend
- It is generally recommended for most islands to have your Hepatitis A vaccinations (ask your doctor for details)
- Gratuities are always included at all-inclusive resorts
- Make sure to purchase travel medical insurance for you and your family
- Bring your CAA card with you if you are driving to the US where it is also valid in case of emergency
- Book your Triptik at least five days in advance or go online to make your own
- Have proper identification when crossing the border, especially for children. Parental consent forms are needed when only one parent is travelling
