

# East Africa ~ Migration & Safari

**September 17 - 30, 2010 ~ 14 Days**

**\$5,499<sup>CAD</sup>\***

Experience the awe-inspiring annual migration in this once-in-a-lifetime trip. Spend extended time in the Masai-Mara where the animal migration is at its peak. Watch as the migration unfolds with wildebeest and zebra in the thousands, while predators — lion, leopard, cheetah, hyena and scavenger birds — eagerly await the opportunity to seize the exhausted and fallen. Experience the eighth wonder of the world with a visit to the Ngorongoro crater, a blend of landscapes, wildlife and people.

Tour Leader will be Hanne Lindeman, a wildlife biologist who has lived, worked and been involved with tourism for more than 30 years in Africa. Her knowledge of the wildlife and people is extensive and her ability to share this with others will contribute towards making this migration safari a trip of a lifetime!
