CAA South Central Ontario Membership Terms & Conditions

For membership types:
Basic, Plus, Premier & Corporate.

Welcome to CAA

Welcome to CAA South Central Ontario ("CAA SCO"). For over 115 years, the Canadian Automobile Association ("CAA") has been helping Canadians stay mobile, safe and protected. We are Canada's largest not-for-profit automobile association with over two million Members in South Central Ontario. We are also a strong advocate and voice for our Members on issues such as traffic safety, mobility, infrastructure and consumer protection.

These Membership Terms & Conditions ("Terms") govern your membership with CAA South Central Ontario ("CAA SCO", "we", "our", "us"). CAA SCO is the operating name of CAA Club Group in the province of Ontario. Purchase or use of any CAA SCO Membership ("Membership") at any time subjects the purchaser and/or user ("you", "your", "yours", "their", "Member") to the provisions of the Terms, as amended from time to time. This is not an automobile liability insurance contract.

CAA SCO operates as a CAA Club within a specific geographic territory that is designated by the Canadian Automobile Association. Please note that different terms and conditions (including Member benefits) may apply in different auto club territories.

By using any of our CAA Member services or benefits, you are agreeing to these Membership Terms & Conditions.

We reserve the right to make exceptions to our service eligibility terms and conditions that may grant greater rights than stated in this document.

If you do not agree with our Membership Terms & Conditions, please contact us immediately for membership cancellation assistance.

Terms are subject to change. In the event of any significant changes, these terms will be updated at caasco.com/membership or caasco.com/termsandconditions.

Membership Types:

These Membership Terms and Conditions apply to the following CAA SCO Membership types:

- Basic
- Plus
- Plus RV
- Premier
- Premier RV
- Corporate

Your Member benefits and available services may vary depending on your membership type.

Basic level roadside benefits are activated immediately after joining for all Members. **Plus, Corporate and Premier Member roadside benefits become active 24 hours after joining.** When upgrading from Basic to any other membership type, a 24-hour wait period applies. When upgrading from Plus to Corporate or Premier, your benefits are active immediately.

Membership Term / tenure:

The Membership Account is valid for one (1) year following the date of activation by the initial Primary Member (the “membership year”). However, any event of default (including payment default) or suspension of membership may alter the anniversary date of the membership account, may affect the account’s tenure at CAA, and may result in forfeiture of accrued CAA Dollars® or other Member benefits.

Primary Members and Associate Members:

- A CAA Membership account must have one (1) Primary Member, who may designate additional Members (“Associate Members”) to the Account at any time, by paying additional membership dues according to the Associate Membership type. There cannot be more than one (1) Primary Member designated to the membership account at a time.
- All Members must reside in the same household, and the household must be situated within CAA SCO’s designated club territory.

Membership Terms & Conditions

- The Primary Member is the main membership point of contact for all Members assigned to the Membership Account.
- An Associate Member can be any age, provided that: (1) the Primary Member must have the consent of the Associate Member's parent or legal guardian, when applicable, to be added to the Account; and (2) the Primary Member must agree to be contractually bound by these Membership Terms and Conditions on behalf of the Associate Member.
- The Primary Member is responsible for ensuring the accuracy of information for all household CAA Members. Only the Primary Member is authorized to:
 - Request adding any Associate Members to the account.
 - Request any changes to the designated membership type of any Member on the account. **Please note: Associate Members can remove themselves from the account and obtain information about their own Membership Account.**
 - Receive invoices, statements of account, and to make inquiries about the transactions on the Membership Account (including the transactions of other Members linked to the Account).
- A Primary Member is personally invoiced and is personally responsible to pay for the annual membership dues of all Members designated to the Membership Account. However, certain additional service charges and fees payable for roadside assistance and other Member services must be paid for by the Member that requested the service, at the time of service. **Please note: if a Donor has been assigned to the Membership Account, the Donor will be invoiced for the annual membership dues.**
- The Primary Member is the default beneficiary of any accrued CAA Dollars®, even if earned by the Associate Member(s). CAA Dollars® earned in a household by Associate Members are not transferable between households unless the entire household is moving.
- Each CAA SCO Member is prohibited from having more than one active CAA Membership account at any given time, and across all CAA Clubs that form part of the federation of the Canadian Automobile Association. To consult a list of CAA Clubs, **visit caa.ca/services/find-your-club**. Duplicate and/or alias CAA Memberships may be revoked and are subject to a \$50 handling fee. Refunds will not be provided where services have been used on a duplicate account.

Member Identification / Validation:

Each Member must be prepared to show his or her valid membership card (in physical or electronic/app form) and government issued photo identification upon request to the CAA representative or service provider. The Member's name must be visible on the photo ID and must match the name listed in our active Member database. As a Member, you must be present for service.

5. Not allow services to be provided on any vehicles or property that is not 100% owned by you, without first obtaining the appropriate consent of the property owner(s). You will promptly advise us and our service providers of any vehicles to be serviced that are not fully owned by you.

CAA's Right to Revoke Membership:

CAA SCO reserves the right to downgrade, cancel, revoke, not renew a membership, and we may refuse service at any time and for any reason permitted by law, including but not limited to for failure to comply with these Membership Terms & Conditions. Personal identifiers will NOT be deleted if membership has been permanently revoked due to violation of the Terms, in order for CAA to identify the individual should an attempt be made to apply for membership again. At no time will CAA SCO tolerate harassment, intimidation, threatening or abusive behaviour and/or language directed at its Associates, service providers, or other CAA representatives. Upon expiry, non-renewal or cancellation of membership, all accrued CAA Dollars® and credits will be revoked without refund or compensation.

Changes to Membership:

The terms, conditions, services, benefits, prices, policies and procedures of your CAA Membership are subject to change at any time. These terms will be updated at caasco.com/membership or caasco.com/termsandconditions. If after reviewing any change to the terms of your membership, you do not accept the new terms or do not wish to renew your membership, you may terminate your membership as of when the change takes effect.

Membership Dues:

Payment.

- Payment of annual dues can be made in-store, by phone or online through one of the following accepted forms of payment; electronic banking (telebanking) or online “payee – **CAA South Central Ontario**,” Visa, Visa Debit, Mastercard and Amex. Cheques are also accepted by mail, made payable to CAA South Central Ontario at: CAA South Central Ontario, PO Box 4027 Stn A, Toronto, Ontario, M5W 0G8.
- Membership dues are due on an annual (365 day) billing cycle. Dues are subject to change without notice. If your membership dues are not paid in full on or before your membership anniversary:
 - o Your membership will lapse.
 - o You will not be entitled to Member services or Member benefits.
 - o You will forfeit your CAA Dollars balance.
 - o You will forfeit any benefits linked to your membership tenure.

Prompt renewal of your membership ensures there is no interruption in service.
- Any credits or CAA Dollars available on your account at renewal will automatically be applied to your renewal.
- Please ensure you review your membership renewal notice for accuracy. If any changes are required, it is the Member’s responsibility to notify CAA SCO prior to the renewal date.

If after receiving notice of any change to the renewal of your membership you do not accept the new terms or do not wish to renew your membership, you may terminate your membership as

Membership Terms & Conditions

of the date when the change takes effect or on the renewal date. Please see our 30-day money-back guarantee policy.

The following costs are not included in CAA Membership dues, and the Member hereby agrees to indemnify and hold CAA SCO and its service providers harmless from any liability arising therefrom:

1. Cost of parts, labour or repairs in connection with roadside assistance service.
2. Costs for towing a vehicle in excess of the covered towing distance.
3. Vehicle impound and/or storage fees and related costs.
4. Costs relating to vehicle accident clean-up.
5. Costs associated with legal infractions.
6. Costs incurred as a result of a mechanical breakdown, including lost wages, alternate transportation, accommodations, etc.
7. Costs relating to battery “recharging” (charging is very different from boosting; a boost is a temporary measure and a charge is considered a repair involving labour charges).

Auto-renew program:

When you enrol in automatic renewal for the first time, CAA SCO may give you a discount against a pending or future transaction. The discount amount is subject to change without notice. If you are a participant in automatic renewal your membership dues will be automatically charged to your designated pre-authorized credit card on file with CAA SCO. Based on the terms and conditions of your credit card issuer, it is probable that your financial institution will provide us with updated credit card information independent of you. You will receive an annual renewal notice approximately 30 days prior to your expiry date, which will inform you of the date your pre-authorized credit card will be charged. If we do not receive any alternative instructions from you, we will process your membership renewal(s) by charging the credit card that is registered to your account.

If you are enrolled in automatic renewal and would like to terminate your membership, you must provide us with notice before your membership renewal date.

Additional Charges:

If any payment to CAA SCO or its service provider(s) is reversed, returned by your financial institution due to non-sufficient funds (NSF), or declined for any other reason, we will contact you to collect payment and/or update your payment information. All membership benefits will be unavailable until payment is made in full. Additionally, you may be charged an administrative fee of \$25.00 per occurrence, including any disputed charge that is determined to have been validly applied to your account. CAA SCO reserves a right of set-off for any outstanding debts owing to CAA SCO or to its service provider(s).

Native Status Tax Exemption:

Members requesting a partial tax exemption (HST) must provide in person a copy of their valid native status card at one of our CAA Stores each year in order for a partial tax exemption to apply. If you are unable to attend a CAA Store in person, tax will be included on the renewal statement and you can claim the tax exemption through the Ontario Ministry of Finance.

Once the number of service calls has been exceeded, CAA SCO will continue to facilitate the roadside assistance services described above. However, any services in excess of the roadside assistance “maximums” will be subject to service provider fees that will be due at the time of service. Our number one priority is safety. We ask for your understanding as calls are prioritized based on our Members' safety and not necessarily on time of service request. There may be situations, for example during periods of extreme weather, where the safety of other Members may need to be prioritized and service may be delayed if you are in a safe location. Benefits and services are subject to change without notice.

Your CAA SCO membership includes the following roadside assistance services, subject to additional fees if applicable. Some services listed below may only be available within certain CAA SCO geographical areas. All roadside assistance services are subject to the Limitation of Liability provision set out later in this section.

Battery Service:

Upon purchase of a CAA Premium Battery, service providers will deliver, install and recycle your old battery at no extra cost. **Please note: you may choose to keep your old battery for an additional cost that must be paid for by the requesting Member at the time of service.** Battery services may not be available in your area. This will count as one (1) service call unless a new battery is purchased at the time of the call. However, an unsuccessful battery service that results in a towing service call, will count as a single service call.

Battery service is subject to vehicle type and may not be available for your vehicle. For full guidelines on vehicles eligible for battery service, please visit caasco.com/battery.

CAA SCO and service providers may refuse to provide certain battery service if it is deemed unsafe (in CAA SCO or service provider's sole discretion), when installation cannot be performed at the roadside, or if the battery is under warranty.

Lockout/Locksmith Service:

If your keys are locked in the vehicle, CAA SCO will send a service provider to attempt to gain entry. If your ignition key is lost or broken, CAA SCO will reimburse up to \$50 CAD for a locksmith service for Basic Members and up to \$100 CAD for all other membership levels. Reimbursement will count as one (1) service call. In cases where the locked vehicle cannot be made operable, towing services will be provided subject to the Member's towing coverage. Locksmith service refund is comprised of ignition work and/or the making of one ignition key, but extra charges may apply to the Member. Please note: the registered owner must be present while the vehicle is being serviced by a locksmith. This will count as one (1) service call. An unsuccessful locksmith service that results in a towing service call will count as one (1) service call.

Emergency Gas Delivery:

When you run out of gas, a limited supply of gasoline will be delivered to your disabled vehicle to enable you to reach the nearest open service station, or in accordance with your roadside assistance towing service provisions, a tow will be provided to a facility where fuel is available. Specific brands or octane ratings cannot be promised. We will deliver gas, but not diesel or propane. Basic Members will be charged the current pump price for the gasoline. For Plus, Corporate and Premier Members, there is no charge for the gas. Emergency Gas Delivery counts as one (1) Service Call.

Flat Tire Service:

If you get a flat tire, your vehicle's spare tire will be installed, as long as the spare tire is inflated and serviceable. Before calling CAA SCO, please ensure that any specialty key to remove the lug nuts is available. Service does not include repairs, additional trips to deliver a repaired tire, installation or removal of tire chains, mounting, dismounting or shifting of tires and seasonal tire change-overs. To avoid damage, certain vehicles will require a tow to a garage within the limits of your membership as proper installation requires that the wheel lug torque be set to the recommended specification for your vehicle. In the event that the service cannot be rendered safely due to poor conditions or maintenance, the service provider reserves the option of towing the vehicle to safety to avoid possible damage. Flat Tire Service counts as one (1) service call.

Extrication Service:

Your vehicle will be extricated when (in CAA SCO or the service provider's sole determination) it can be safely reached from a normally travelled or established thoroughfare or road. If special equipment, additional personnel or vehicles are required, the associated costs may be at your expense. Plus, Premier and Corporate Members are automatically covered for an additional service vehicle and service provider for up to one hour of extrication service at the scene. The service vehicle must have clear and safe access to the disabled vehicle; for example, service cannot be rendered in limited access areas such as plowed-in, snowbound or ice-covered areas. Please note, membership does not include vehicle recovery service.

Towing Service:

Towing Service will be provided if attempts to make your vehicle safely operable at the roadside have been unsuccessful. Flatbeds or dollies will be used when required. Membership includes towing mileage based on your membership type. A charge per kilometre will be applied by the service facility to any additional mileage that exceeds your coverage. Service wait times can increase if special towing equipment, which includes flatbeds, is required. Towing equipment is dispatched in accordance with manufacturer specifications. Special requests, including a request for a flatbed when not required will not be accommodated. Service providers will take the most efficient route from pick up location to tow destination. The most efficient route is not necessarily the shortest route. In cases where the most efficient route results in kilometre overages, Members are responsible to pay overage charges for actual kilometres travelled.

Bike Assist®:

CAA provides Bike Assist – roadside assistance for your bicycle. Bike Assist covers motorized bicycles (ebikes), however two-wheeled scooters and mopeds are only covered under Plus and Premier Memberships.

If your bike becomes disabled and at CAA SCO or the service provider's discretion cannot be repaired on the spot (i.e., if you do not have a spare tire and/or repair kit) CAA SCO will arrange to transport you and your bicycle, subject to the towing limits based on your membership type. Bike Assist counts as one of your allotted roadside calls during your membership year. Service will be provided to cyclists where there is permitted vehicle access and based on seasonal availability.

Motorcycles:

Motorcycles with or without a side car, are eligible for coverage under Plus, Premier and Corporate Membership types. CAA SCO will transport your motorcycle, subject to your towing limits based on your membership type. Motorcycle service will count as one (1) of your allotted roadside calls during your membership year.

Recreational Vehicles:

Recreational vehicles (RV), campers and trailers (subject to vehicle eligibility) are eligible for coverage under PlusRV and PremierRV Membership. CAA SCO will transport your RV, camper or trailer to a registered RV repair facility, subject to your towing limit based on your membership type. RV, camper or trailer service will count as one (1) of your allotted roadside calls during your membership year. CAA SCO and service providers may refuse to provide a certain RV service if it is deemed unsafe (in CAA SCO or service provider's sole discretion).

Accident tows:

Your CAA SCO membership covers you for towing service (subject to your applicable coverage limits) in the event you are in an accident, unless the accident is due to a legal infraction by you. CAA SCO will make an effort to accommodate the towing of the vehicle. Under certain circumstances, police may require that the vehicle be removed immediately by an independent towing company. In these situations, the Member may submit a receipt for reimbursement consideration.

For using an independent towing company, they must be independent from the Member and not a family member or friend. An original official receipt and a legible copy of

Membership Terms & Conditions

the accident report must be submitted with any requests for a refund. Members must also submit a letter from their insurance company stating the insurer is not covering the cost of the claim related to towing service expenses, and/or there are no recent or pending claims. For towing reimbursement consideration, a receipt and/or accident report must bear the Member's name and must be submitted within 30 days of the accident.

CAA SCO reserves the right to request a Member to pursue their automobile insurer for expenses relating to accident tows. Alternatively, we may request the Member's automobile insurer details in order to subrogate the claim.

Vehicle Eligibility:

Certain limitations may apply and vehicle eligibility will be ultimately determined at the time of service. In all cases vehicles must be insured for personal use, be licensed and be road-worthy. Subject to the applicable exclusions, vehicles eligible for coverage include:

- 4-wheeled, motor-driven vehicles (cars, unloaded pickups, unloaded vans, campers and motorhomes)
- Motorcycles with or without sidecars, and mopeds (with Plus, Corporate or Premier Membership)

Service Providers:

Roadside assistance service providers are independent contractors and are not employees of CAA SCO. CAA SCO will not assume responsibility for property damage, personal injuries, losses or inconveniences caused by the service provider.

Non-CAA provider services:

If you have contacted CAA SCO to obtain roadside assistance and CAA SCO service is not available at the time of your request, CAA SCO may authorize you to obtain your own towing service, pay for it and submit the original invoice (please save a copy for your records) to CAA SCO within 30 days for reimbursement consideration. CAA SCO reserves the right to refuse reimbursement for tows provided to a Member by a non-CAA service provider that CAA SCO determines or suspects is related (i.e. by family, household, friendship, etc.) to the Member; or, where applicable is operating without license and/or beyond regulatory guidelines with respect to services provided and fees billed.

Reimbursements will be calculated at a "fair rate", which will be determined by:

- Regulated municipalities – rates posted by the servicer within the municipality.
- Non-regulated municipalities – average of posted rates within regulated municipalities

Members are required to request the rate card from the tow truck driver prior to accepting service, and ensure that the rates invoiced match with the rate card. There are often rate cards printed on the invoice; CAA SCO will not reimburse at a higher rate than that which is printed on the invoice under any circumstances.

CAA SCO may require you and/or the registered owner of the vehicle to provide further information when assessing a reimbursement claim. Please be prepared to provide:

- Police incident number/copy of police report (for police ordered tows)

Alternatively, we may request the Member's automobile insurer details in order to subrogate the claim. Payment may be withheld until the automobile insurers' details are provided.

Every effort will be made to issue refunds and reimbursements within a reasonable time frame (usually within 30 days). CAA SCO is not liable for any expenses, including but not limited to accrued interest, surcharges or administration fees for refunds or reimbursement.

CAA SCO reserves the right to deny claims where CAA SCO was not contacted to arrange service, and/or we did not give direction to a Member to arrange their own service. Any claims paid in these circumstances will be subject to a maximum of \$300 CAD regardless of circumstances.

Liability and Damage Claims:

CAA SCO and its service providers each reserve the right to contact the police or local authorities upon suspicion of impaired driving or any other threat to the safety of person or property.

As a Member of CAA SCO, you hereby understand and agree that unless the loss relates to the fraud, gross negligence or willful misconduct of CAA SCO, CAA SCO's maximum liability to you, your passengers or any third parties affected shall be a reimbursement of any membership dues paid by you in the 12-month period immediately preceding the loss.

In some cases such as, service to a vehicle with pre-existing damage, the service provider may ask you to sign a waiver which identifies pre-existing damage prior to providing service. The service provider may refuse service if the waiver is not signed.

Certain types of North American and foreign-made cars (especially those with fiberglass bodies) and vehicles with owner-made modifications are difficult to provide certain roadside assistance to without causing damage. In such cases, you and/or the registered owner of the vehicle may be asked to sign a release /waiver of liability assuming responsibility for any damage that may occur during service.

For vehicle damage during service, Members must contact CAA SCO directly to report any damage or concerns regarding their vehicle within 24 hours of the initial service request and before any necessary repairs are carried out. Members should also document the damage. A failure to report within 24 hours will result in a denial of your claim.

CAA SCO and our service providers reserve the right to physically inspect and assess any damage claims. The service provider and/or CAA SCO must be permitted – within 72 hours after the incident report is forwarded to the service provider for further investigation – to physically inspect the vehicle damage and its equipment in order to determine liability. The Member should not make any repairs to the vehicle or remove evidence of the damage. In the event that you do not permit service provider and/or CAA SCO to physically inspect the damage within the 72 hours or if repairs are completed prior to the completion of such an inspection, your claim will be denied.

While assessing a damages claim, CAA SCO may require you and/or the registered owner of the vehicle to provide further information to assist with resolving your claim. Please be prepared to provide documentation that supports your claim. Where such documentation has been requested and is not produced within 72 hours, your claim will be denied.

In the event that service provider and/or CAA SCO commits to repair or replace any damaged vehicle parts, both service provider and CAA SCO reserve the right to approve repairs or use replacement parts of a similar kind or quality.

In the event that CAA SCO denies your claim in whole or in part, CAA SCO will promptly inform you in writing outlining the reasons for the denial.

Service provider and/or CAA SCO will not pay for vehicle damage repair costs that exceed the actual cash value of your vehicle at the time the damages were incurred. In this case, you may be asked to file your claim with your insurance company.

CAA SCO assumes no liability if you engage in fraudulent or unauthorized use of the services or engage in illegal behaviour.

CAA SCO, including our service providers, are not liable for any loss, damage or expense relating to unattended tows under any circumstances.

CAA SCO, including our service providers, are not liable for any loss, damage or expense where a vehicle has been involved in an accident, or where a vehicle must be extricated/winched from an off-road position.

CAA SCO and our service providers seek to deliver service

Membership Terms & Conditions

CAA does not have supervision or control over the operation or management of service providers and vehicle repair facilities. In the event of a dispute arising between a Member and the service provider, CAA SCO may appoint an arbitrator whose ruling shall be final and binding on both parties.

Extreme weather conditions:

During extreme weather conditions, CAA SCO responds to calls on a priority basis, providing service first to those Members whose vehicles are blocking roadways or posing a threat to personal or public safety. Under severe conditions, we reserve the right to delay service to Members whose vehicles are in a place of safety. Your patience and understanding under these circumstances is appreciated.

Section 3

Member Rewards

CAA Rewards®:

CAA SCO may change these Terms and Conditions and/or any aspect of CAA Rewards without notice. CAA SCO may add, delete or change CAA Rewards partners, modify any offers provided by CAA Rewards partners or the accumulation or redemption details regarding CAA Dollars. Once the partner's reward points are transferred to CAA and converted to CAA Dollars, we are unable to reverse this transaction. If you default on your CAA membership, become bankrupt, commit fraud, misrepresent any information, abuse the privileges granted to you under CAA Rewards or act in any other way to the detriment of CAA SCO or CAA Rewards partners, we may, without affecting our other rights, disclose such information requested by proper authorities, terminate your CAA Membership and/or cancel the CAA Dollars in your account.

CAA Dollars:

To earn and redeem CAA Dollars, you must be a current CAA Member in good standing (CAA Membership dues paid in full by membership expiry date). CAA Dollars cannot be converted into currency at any time and cannot be used to purchase CAA Batteries. If there is a lapse in your membership, you will forfeit any accumulated CAA Dollars. Your CAA Dollars will be automatically redeemed towards your CAA Membership renewal dues, unless you have opted-out, and be reflected on your renewal notice generated approximately 45 days prior to the end of your annual billing cycle. Any changes in your CAA Dollars balance, up to 24 hours of renewal (positive or negative) occurring after you have been billed will be reflected on your account balance when calculating your renewal charge. CAA Dollars may be redeemed against your CAA Insurance renewal premium. Redemption is applicable once your CAA Insurance Company auto and/or property policy has been renewed and your payments are up to date. Applying CAA Dollars to your first CAA policy term is exempt from the program. Redemption amount must be greater than five CAA Dollars and less than or equal to the total policy premium for the renewal term.

CAA Dollars earned through our CAA Rewards program are applied as a credit to reduce annual renewal, apply upgrades or adjustments to your membership. CAA Dollars are not considered as a discount, but as a form of a credit and are applied after dues and applicable taxes.

Membership Terms & Conditions

This credit then reduces the amount payable by the Member for any CAA Membership renewals or changes which may result in payment. Using CAA Dollars as a credit allows us to reduce the amount owing after tax.

CAA Dollars remain the property of CAA and if there is a lapse in your membership, you will forfeit any accumulated CAA Dollars.

1. Accountability for Your Privacy

CAA takes full responsibility for the management and confidentiality of personal information we collect and use. Personal information is collected, used, shared and stored in accordance with the Personal Information Protection and Electronic Documents Act, S.C. 2000, c.5 and any applicable provincial privacy laws that may apply to CAA from time to time.

CAA has appointed a Privacy Officer who oversees compliance with privacy laws and best practice. The Privacy Officer's duties include:

- Developing and, on a regular basis, reviewing the implementation of internal procedures to protect personal information;
- Ensuring all staff are trained on privacy best practices and are aware of the importance of safeguarding any personal information that they are privy to;
- Ensuring that all inquiries and complaints relating to privacy are appropriately handled; and
- Ensuring all third parties to whom CAA provides access to personal information adhere to appropriate standards of care in handling that information.

2. Personal Information and How We Collect It

'Personal information' is any factual or subjective information, recorded or not, about an identifiable individual.

For CAA Members, this includes your name, contact information, birthdate, gender, email address, type of vehicle, membership usage, vehicle diagnostics, payment information, any identifiers such as your CAA membership number, driver's license or GPS (vehicle location) and any identifiable on-line activity. We also collect information about your CAA retail purchases and preferences.

We may also collect information obtained during the course of dispatching a service vehicle including the type of service required and the tow destination.

For CAA Travel customers, personal information includes travel booking arrangements, passport details, frequent traveler numbers, itineraries and special requests.

For CAA Insurance customers, personal information includes previous insurance experience, including accidents and traffic violations, other drivers and claims history. It will also include information about any residential property you are seeking to insure.

CAA Membership Terms & Conditions

For CAA Travel Insurance customers, personal information may include travel plans, medical history and claims history.

If you participate in our CAA Rewards® program, we will also collect and use information about your use of your CAA membership with our rewards partners, including the date, location and amount of any transaction, qualified spending and the number of CAA Dollars® earned or amount saved on the transaction.

Direct Collection

Personal information can be collected directly from you in several ways with your knowledge and consent, or as authorized by law, including through phone calls, electronic messages, application forms, as well as any other documents you provide to CAA.

Indirect Collection

There are also ways in which CAA collects personal information indirectly. For example, to obtain an associate membership, CAA collects personal information about other members of your household from you, and for auto insurance, you may provide information regarding other drivers of your vehicle. We assume you have obtained consent to our collection, use and disclosure of others' personal information for the purposes outlined in this policy.

CAA may collect your personal information from third parties as well. For example, with your explicit consent, a credit reporting agency or previous insurer may provide information to CAA. CAA implies or assumes consent only if doing so is reasonable and appropriate based on our relationship with you. For example, we may collect information from a contracted locksmith or tow truck operator that has provided services covered by your membership, or from one of the CAA Rewards® partners in order to ensure we provide you with CAA Dollars. If you are a CAA insurance policyholder, we may collect or otherwise verify personal information about you from the Ministry of Transportation (Ontario) or Manitoba Public Insurance.

Note that there may be instances where the law permits the collection, use or disclosure of your personal information without your consent, for example for debt collection, fraud investigations, and where necessary to protect our legal interests or the safety of others.

Insurance Companies

If you apply for an insurance product with CAA, we will disclose the personal information in your application with the prospective insurance company. In Manitoba, this includes Manitoba Public Insurance.
