I drove all night to get to you	Some guy is pretending he's driving, but he's actually in a bar. Drunk as well?
Is that alright?	Oh, I see he knows the drunk chick, and it looks like they're pretty familiar.
Everybody got somebody to lean on	
Handle me with care	Is Handle with Care technically a Roy Orbison song? I know he was in the Travelling Wilburys and has a verse, but I'm pretty sure George Harrison wrote it.
