CAA SCO Members are expected to adhere to the following responsibilities:

- Keep your contact and payment information current and up to date with CAA SCO.
- Keep in mind that membership is non-transferrable. (Note: membership covers you whether you're the driver or passenger.)
- Ensure that membership payments are made in full and on time to avoid service interruptions.
- CAA SCO's number one priority is safety. We ask for your understanding as calls are prioritized based on our Members safety and not necessarily on time of service request.
- You must notify us at the time of a service request if you or a passenger requires additional assistance or special accommodation (i.e. due to a disability, limited mobility, travelling with a child in a car seat or travelling with pets/animals).
- Be prepared to show a valid membership card and photo identification to CAA SCO service contractors when requested.
- At all times, respect our CAA SCO Associates, service providers and others associated with CAA SCO.
- Be respectful and professional at all times when communicating online, on our premises, attending any CAA events or participating in any of our forums. Do not use your membership as a means for engaging in criminal or illicit activity.
- If you are not renewing your membership, contact CAA SCO to ensure the account is updated and your subscription, if applicable, in the automatic renewal program is terminated.
- Ensure that passengers exceeding the capacity of the service vehicle assigned to tow your vehicle are provided transportation. If it is not possible to accommodate all passengers within safety guidelines, CAA SCO will help you arrange alternative transportation (additional fees may apply).

Membership Terms & Conditions

- **Native Status Tax Exemption:** Members requesting a partial tax exemption (HST) must provide in person a copy of their valid native status card at one of our CAA Stores each year in order for a partial tax exemption to apply. - **Accessibility for Ontarians with Disabilities Act (AODA) exception:** Certain exceptions to the membership exclusions listed above may apply to persons requiring special accommodation due to a disability. Please contact CAA SCO for further details.

Primary and Associate Member:

A Member can be either a Primary Member or an Associate Member.

- A Primary Member is the main membership point of contact for each household on record, including for other Associate Members and for the purpose of authorization of account maintenance and changes. Primary Members are responsible for ensuring the accuracy of information for all household members.
- An Associate Member may be added to the Primary Member's account at any time during the membership contract for an additional membership fee, payable at the time of joining and billed at the time of renewal.
- When the Associate Member permanently moves out of the Primary Member's household, she/he must set up a new membership and will no longer be covered as an Associate under the current Primary Member's account. CAA Dollars earned by the Associate Member are transferred to the Primary Member of the originating household.
- Members are only entitled to the service and benefits that apply to his or her membership type (i.e. Basic, Plus, Premier, etc.).
- Members are permitted one membership per person per membership year. Members cannot hold a membership in more than one household or in more than one CAA club or affiliated auto club.
- A Primary Member is billed for his/her own annual membership dues plus the annual membership dues of any Associate Members.
- Duplicate memberships will be revoked and refunds will not be provided where services have been used on a duplicate account.
- The Primary Member is the default beneficiary of any accrued CAA Dollars, even if earned by the Associate Member(s). CAA Dollars earned in a household by Associate Members are not transferable between households, unless the entire household is moving.

Membership Terms & Conditions

- All Primary and Associate Members must reside in the same household and must reside in CAA SCO territory.
- A Primary Member must ensure all the information on account is accurate and up to date, including contact information for Primary and Associates.
- **Any service calls not covered by your membership must be paid for by the requesting Member at the time of service.**

Member Identification:

Each Member must be prepared to show his or her valid membership card and government issued photo identification upon request to the CAA representative or contractor.

If you purchase a gift membership either as a one-time purchase or on an ongoing basis, the CAA Dollars are reflected on the annual statement and by default the CAA Dollars are used to offset the amount owing on the bill.

The Purchaser:

- Can purchase the membership as a one-time gift or continue paying the renewal fees annually.
- Does not have to be a CAA SCO Member or reside in the CAA SCO territory.
- Can make changes to the membership type and billing information.

- Any credits or CAA Dollars available on your account at renewal will automatically be applied to your renewal by default.
- Please ensure you review your membership renewal notice for accuracy. If any changes are required, it is the Member's responsibility to notify CAA SCO prior to the renewal date.
- All membership changes, including additions or deletions, must be authorized by the purchaser or authorized representative of the membership account. Renewal is for a 12-month period based on the month of initial enrollment, or most recent renewal, whether or not membership benefits have been exercised.
- Your CAA membership expires one year after the activation date, and will be billed annually on notice to you (subject to payment of membership fees and any activation procedures). If after receiving notice of any change to the renewal of your membership you do not accept the new terms or do not wish to renew your membership, you may terminate your membership as of the date when the change takes effect or on the renewal date. Membership Terms & Conditions

Auto-renew program:

If you are a participant in CAA SCO's Automatic Credit Card Renewal (ACCR) program your membership dues will be automatically charged to your designated pre-authorized credit card on file with CAA SCO. Based on the terms and conditions of your credit card issuer, it is probable that your financial institution will provide us with updated credit card information independent of you. You will receive an annual renewal notice approximately 30 days prior to your expiry date, which will inform you of the date your pre-authorized credit card will be charged. If we do not receive any alternative instructions from you, we will process your renewal membership(s) by charging the credit card that is registered to your account.

If you have joined our ACCR program and would like to terminate your membership, you must provide us with notice before your membership renewal date.

Additional Charges:

If any payment to CAA SCO or its service provider(s) is reversed, returned by your financial institution due to non-sufficient funds (NSF), or declined for any other reason, we will contact you to collect payment and/or update your payment information. All membership benefits will be unavailable until payment is made in full. Additionally, you may be charged an administrative fee of \$25.00 per occurrence, including any disputed charge that is determined to have been validly applied to your account. CAA SCO reserves a right of set off for any outstanding debts owing to CAA SCO or to its service provider(s).

Money-Back Guarantee:

CAA SCO membership dues are refundable within 30 days after the payment has been processed by CAA SCO. The amount of the refund will be prorated and based on your household's most recent membership(s) payment to CAA SCO, minus any outstanding costs associated with CAA SCO services provided to you or your Associate Members (including any additional charges as outlined above) up to the date of cancellation. CAA SCO will not refund your membership after 30 days of receiving payment. Cancellation requests may be made:

Section 2.

Membership coverage and Roadside Assistance services:

Your CAA SCO membership includes the following Roadside Assistance services, subject to additional fees if applicable. Some services listed below may only be available within certain CAA SCO geographical areas. All of the Roadside Assistance services are subject to the Limitation of Liability provision set out later in this section.

Battery Service:

Upon purchase of a new battery, service providers will deliver, install and recycle your old battery at no extra cost. Battery Services may not be available in your area. This will count as one (1) service call unless a new battery is purchased at the time of the call. However, an unsuccessful battery service that results in a towing service call, will count as a single service call.

CAA SCO and service providers may refuse to provide certain battery service if it is deemed unsafe (in CAA SCO or service provider's sole discretion), when installation cannot be performed at the roadside, or if the battery is under warranty.

Lockout/Locksmith Service:

If your keys are locked in the vehicle, CAA SCO will send a service provider to attempt to gain entry. If your ignition key is lost or broken, CAA SCO will reimburse up to \$50 CAD for a locksmith service for Basic Members and up to \$100 CAD for all other membership levels. In cases where the locked vehicle cannot be made operable, towing services will be provided subject to the Member's towing coverage. Locksmith service refund is comprised of ignition work and/or the making of one ignition key, but extra charges may apply to the Member. Please note: the registered owner must be present while the vehicle is being serviced by a locksmith. This will count as one (1) service call. An unsuccessful locksmith service that results in a towing service call will count as one (1) service call.

Membership Terms & Conditions

Emergency Gas Delivery:

When you run out of gas, a limited supply of gasoline will be delivered to your disabled vehicle to enable you to reach the nearest open service station, or in accordance with your Roadside Assistance towing service provisions, a tow will be provided to a facility where fuel is available. Specific brands or octane ratings cannot be promised. We will deliver gas, but not diesel or propane. Basic Members will be charged the current pump price for the gasoline. For Plus, Corporate and Premier Members, there is no charge for the gas. Emergency Gas Delivery counts as one (1) Service Call.

Flat Tire Service:

If you get a flat tire, your vehicle's spare tire will be installed, as long as the spare tire is inflated and serviceable. Before calling CAA SCO, please ensure that any specialty key to remove the lug nuts is available. Service does not include repairs, additional trips to deliver a repaired tire, installation or removal of tire chains, mounting, dismounting or shifting of tires and seasonal tire changeovers. To avoid damage, certain vehicles will require a tow to a garage within the limits of your membership as proper installation requires that the wheel lug torque be set to the recommended specification for your vehicle. In the event that the service cannot be rendered safely due to poor conditions or maintenance, the service provider reserves the option of towing the vehicle to safety to avoid possible damage. Flat Tire Service counts as one (1) service call.

Extrication Service:

Your vehicle will be extricated when (in CAA SCO or the service provider's sole determination) it can be safely reached from a normally travelled or established thoroughfare or road. If special equipment, additional manpower or vehicles are required, the associated costs may be at your expense. Plus, Premier and Corporate Members are automatically covered for an additional service vehicle and service provider for up to one hour of extrication service at the scene. The service vehicle must have clear and safe access to the disabled vehicle; for example, service cannot be rendered in limited access areas such as plowed-in, snowbound or ice-covered areas.

Mechanical First Aid:

Minor/temporary adjustments or emergency repairs not requiring parts or supplies will be made in an attempt to enable your vehicle to operate safely under its own power. If the vehicle cannot be placed in safe driving conditions, the towing provision will apply.

Towing Service:

Towing Service will be provided if attempts to make your vehicle safely operable at the roadside have been unsuccessful. Flatbeds or dollies will be used when required. Membership includes towing mileage based on your membership type. A charge per kilometre will be applied by the service facility to any additional mileage that exceeds your coverage. Service wait times can increase if special towing equipment, which includes flatbeds, is required. Towing equipment is dispatched in accordance with manufacturer specifications. Special requests, including a request for a flatbed when not required will not be accommodated.

Bike Assist™:

CAA provides Bike Assist – Roadside Assistance for your bicycle. Bike Assist does not cover motorized bicycles (ebikes) however, mopeds are covered under Plus, Corporate, and Premier coverage.

If your bike becomes disabled and at CAA SCO or the service provider's discretion cannot be repaired on the spot, CAA SCO will arrange to transport you and your bicycle, subject to your towing limits based on your membership type. Membership Terms & Conditions

Accident tows:

Your CAA SCO membership covers you for towing service (subject to your applicable coverage limits) in the event you are in an accident. CAA SCO will make an effort to accommodate the towing of the vehicle. As a Member, you must be present for service. Under certain circumstances, police may require that the vehicle be removed immediately by an independent towing company. In these situations, the Member may submit a receipt for reimbursement consideration.

If using an independent towing company they must be independent from the Member and not a family member or friend. An original official receipt and a legible copy of the accident report must be submitted with any requests for a refund along with the name of your insurance company and applicable coverage. For towing reimbursement consideration, a receipt and/or accident report must bear the Member's name and must be submitted within 30 days of the accident.

CAA SCO reserves the right to request a Member to pursue their automobile insurer for expenses relating to accident tows. Alternatively, we may request the Member's automobile insurer details in order to subrogate the claim.

Vehicle Eligibility:

Certain limitations may apply and vehicle eligibility will be ultimately determined at the time of service. In all cases vehicles must be insured for personal use, be licensed and be road-worthy. Subject to the applicable exclusions, vehicles eligible for coverage include:

- 4-wheeled, motor-driven vehicles (cars, unloaded pickups, vans, campers and motorhomes)
- Motorcycles with or without sidecars, and mopeds (with Plus, Corporate or Premier Membership)
- Dual-wheeled, unloaded pickup trucks are eligible for all services except tire service with Basic and Plus Membership (tire service is only available with a Plus RV Membership)

- Dual-wheel licensed motorhomes, campers, fifth-wheel trailers and the following types of trailers: travel, snowmobile, utility, boat and unloaded horse (animal) trailers, (eligible for towing, extrication and tire service with Plus RV and Premier RV Membership)

Non-CAA contractor services:

If you have contacted CAA SCO to obtain Roadside Assistance and CAA SCO service is not available at the time of your request, CAA SCO may authorize you to obtain your own towing service, pay for it and submit the original invoice (please save a copy for your records) to CAA SCO within 30 days for reimbursement consideration. CAA SCO reserves the right to refuse reimbursement for tows provided to a Member by a non-CAA service provider that CAA SCO determines or suspects is related (i.e. by family, household, friendship, etc.) to the Member; or, where applicable is operating without licence and/or beyond regulatory guidelines with respect to services provided and fees billed.

Reimbursements will be calculated at a 'fair rate', which will be determined by:

- Regulated municipalities – rates posted by the servicer within the municipality
- Non-regulated municipalities – average of posted rates within regulated municipalities

Members are required to request the rate card from the driver prior to accepting service, and ensure that the rates invoiced match with the rate card. There are often rate cards printed on the invoice; CAA SCO will not reimburse at a higher rate than that which is printed on the invoice under any circumstances.

CAA SCO may require you to provide further information when assessing a reimbursement claim. Please be prepared to provide:

- Police incident number/copy of police report (for police ordered tows)
- Copy of your driver's licence
- Proof of payment for service (cashed cheque, bank statement indicating cash withdrawal, credit card statement or credit card receipt)
- Insurance policy information including insurer, insured, policy number, effective dates
- Vehicle ownership information

When extra information has been requested and is not provided within 7 days, the claim will be denied.

CAA SCO reserves the right to request a Member to pursue their automobile insurer for expenses relating to damage and accident claims. Alternatively, we may request the Member's automobile insurer details in order to subrogate the claim. Payment may be withheld until the automobile insurers' details are provided.

Membership Terms & Conditions

Every effort will be made to issue refunds and reimbursements within a reasonable time frame (usually within 30 days). CAA SCO is not liable for any expenses, including accrued interest, for refunds or reimbursements.

CAA SCO reserves the right to deny claims where CAA SCO was not contacted to arrange service, and/or we did not give direction to a Member to arrange their own service. Any claims paid in these circumstances will be subject to a maximum of \$300 CAD regardless of circumstances.

Service Providers:

Roadside Assistance service providers are independent contractors and are not employees of CAA SCO.

CAA SCO will not assume responsibility for property damage, personal injuries, losses or inconveniences caused by the service provider.

Liability:

CAA SCO and its service providers each reserve the right to contact the police or local authorities upon suspicion of impaired driving or any other threat to the safety of person or property.

As a Member of CAA SCO, you hereby understand and agree that unless the loss relates to the fraud, gross negligence or willful misconduct of CAA SCO, CAA SCO's maximum liability to you, your passengers or any third parties affected shall be a reimbursement of any membership dues paid by you in the 12-month period immediately preceding the loss.

Certain types of North American and foreign-made cars (especially those with fiberglass bodies) and vehicles with owner-made modifications are difficult to provide certain Roadside Assistance to without causing damage. In such cases, you and/or the registered owner of the vehicle may be asked to sign a release /waiver of liability assuming responsibility for any damage that may occur during service. Should your vehicle be damaged during service, please discuss with the service provider and document the damage.

Members must contact CAA SCO directly to report any damage or concerns regarding their vehicle within 24 hours of the initial service request. After this time any liability is limited to the cost of membership dues paid within the 12-month period immediately preceding the concern.

CAA SCO and our service providers reserve the right to inspect and assess any damage claims. Where damage is claimed and has been fixed prior to inspection by CAA SCO or our service providers, liability is limited to the cost of membership dues paid within the 12-month period immediately preceding the claim.

CAA SCO, including our service providers, are not liable for any loss, damage or expense relating to unattended tows under any circumstances.

CAA SCO, including our service providers, are not liable for any loss, damage or expense where a vehicle has been involved in an accident, or where a vehicle must be extricated/winched from an off-road position.

CAA SCO and our service providers seek to deliver service expeditiously, however CAA SCO, including our service providers, are not liable for any loss or expense resulting from the length of time between service request and service delivery, nor service cancellations and delays.

CAA does not have supervision or control over the operation or management of service providers and vehicle repair facilities. In the event of a dispute arising between a Member and the service provider, CAA SCO may appoint an arbitrator whose ruling shall be final and binding on both parties.

Extreme weather conditions:

During extreme weather conditions, CAA SCO responds to calls on a priority basis, providing service first to those Members whose vehicles are blocking roadways or posing a threat to personal or public safety. Under severe conditions, we reserve the right to delay service to Members whose vehicles are in a place of safety. Your patience and understanding under these circumstances is appreciated.

As a Primary or Associate Member, you are entitled to vote at our Annual General Meetings. You may attend the Annual General Meeting in person or submit a proxy form appointing someone else to vote on your behalf.

Section 3.

CAA Rewards®:

CAA SCO may change these Terms and Conditions and/or any aspect of CAA Rewards without notice. CAA SCO may add, delete or change CAA Rewards partners, modify any offers provided by CAA Rewards partners or the accumulation or redemption details regarding CAA Dollars. Once the partner's reward points are transferred to CAA and converted to CAA Dollars, we are unable to reverse this transaction. If you default on your CAA membership, become bankrupt, commit fraud, misrepresent any information, abuse the privileges granted to you under CAA Rewards or act in any other way to the detriment of CAA SCO or CAA Rewards partners, we may, without affecting our other rights, disclose such information requested by proper authorities, terminate your CAA membership and/or cancel the CAA Dollars in your account.

CAA Dollars:

To earn and redeem CAA Dollars, you must be a current CAA Member in good standing (CAA membership dues paid in full by membership expiry date). CAA Dollars cannot be converted into currency at any time and cannot be used to purchase CAA Batteries, or to pay any amounts owing on the National Bank CAA Rewards® Mastercard® credit card. If there is a lapse in your membership, you will forfeit any accumulated CAA Dollars. Your CAA Dollars will be automatically redeemed towards your CAA membership renewal dues and be reflected on your renewal notice generated approximately 45 days prior to the end of your annual billing cycle. Any changes in your CAA Dollars balance, up to 24 hours of renewal (positive or negative) occurring after you have been billed will be reflected on your account balance when calculating your renewal charge. CAA Dollars may be redeemed against your CAA Insurance premium. Redemption is applicable once your CAA Insurance Company auto and/or property policy has been renewed and your payments are up to date. Applying CAA Dollars to your first CAA policy term is exempt from the program. Redemption amount must be greater than five CAA Dollars and less than or equal to the total policy premium for the renewal term.

CAA Dollars earned through our CAA Rewards program are applied as a credit to reduce annual renewal, apply upgrades or adjustments to your membership. CAA Dollars are not considered as a discount, but as a form of a credit and are applied after dues and applicable taxes.

Membership Terms & Conditions

This credit then reduces the amount payable by the Member for any CAA renewals or changes which may result in payment. By using CAA Dollars as a credit, allows us to reduce the amount owing after tax.

CAA Dollars remain the property of CAA and if there is a lapse in your membership, you will forfeit any accumulated CAA Dollars.

CAA Dollars earned on the National Bank CAA Rewards® Mastercard® credit card:

Once the CAA Dollars earned under the card issuer's rebate program are forwarded to CAA SCO, they will be credited to the Primary CAA Member's account. CAA Dollar redemption is governed by CAA SCO's rules, terms and conditions applicable at the time of redemption. Terms, conditions and limitations apply.

CAA Dollars are rewarded to a maximum annual spend of \$50,000 CAD on the National Bank CAA Rewards® Mastercard® credit card.

In the event that you default on payments for your National Bank CAA Rewards® Mastercard® credit card, CAA Dollars accumulated on those purchases may be forfeited.
