Erin >> To show our appreciation to Canadians for voting us Canada's most trusted brand, we asked our members how we could lend a helping hand. We had so many responses. Here's one we love.

Erin >> Hi, I'm Erin from CAA!

Jason >> Hi, Jason. Come on in! Well, I've been a single dad for about 6 years now. I worked full time. Chief flying instructor at Huron Flight Services in Sarnia. Getting time with the kids is a real struggle. There's always a lot going on. I'm just making sure they have everything they need when they need it. Getting sitters on weekends and stuff. It's been challenging.

[Video: Erin meets Jason who greets her at the door and invites her in. Erin, Jason, son & daughter, are seated at the dining table having a conversation. Close up pictures of the kids and drawings on the fridge.]

[Sound effect: *the sound of knocking on the front door*]

Erin >> Does your dad work a lot?

Daughter >> Yeah.

Son >> Yeah.

Erin >> How does it make you feel?

Daughter >> Sad.

Erin >> Yeah. So, this is a really special day that he's off today and you don't have to go to school. How excited are you about where we're going?

Son >> Awesome!

Erin >> Yeah?

Daughter >> Yeah! Sooo excited!

[Video: Conversation around the dining table turns into piling into vehicle and on the road.]

00:00:51 - 00:01:11

Jason >> I'm just excited for the time we get to spend together. You know it's uh, you don't get a lot of time one-on-one for long periods of time. So yeah, this'll be uh, this'll be good!

Erin >> So Jason tell me what you thought when you heard about your mom nominated you to get this special surprise today?

Jason >> I was uh, pretty surprised. My mother does things like that. She's been a big supporter the whole way.

[Video: Jason is at an indoor jungle gym with son & daughter, playing, jumping on trampolines. As Jason and the kids are eating in the cafeteria, his mother & father join them.]

00:01:12 - 00:01:30

Ann >> I just wanted to provide some kind of encouragement to him. He works hard, he doesn't think anything about it, thinks it's normal life for him, you know?

Jason >> I just do what I do. I don't think I'm that much different than one else out there who love their kids.

Ann >> He's great dad!

Daughter >> The Best Dad!

[Video: Ann speaks with Erin. Jason continues playing with the kids. Child's drawing of an airplane pulling a sign that reads, "Best Dad".]
