Mary Hart >> Hi there, I'm Mary Hart. One of the most fun events of my life was serving as Godmother to Oceania Cruises "Marina". Since that day I've had the pleasure of getting to know the ships, as well as the people of Oceania Cruises. And I'm thrilled to share both with you, right now.

Mary Hart >> The Oceania Cruise's experience begins with a warm welcome and a passion for exceeding your expectations. You'll appreciate Oceania Cruises Country Club Casual approach to living. It's friendly, yet sophisticated. It's your world, your way.

Mary Hart >> Your time aboard Oceania Cruises is just that, your time. Book a treatment at the renowned Canyon Ranch Spa Club. Amateur chefs will love the one of a kind culinary centre. It is the only true hands on cooking school at sea. And it's a lot of fun. Or you may decide to simply while away the hours on deck. Or in the well stocked library. Don't miss the excitement each evening at the casino, lounges and bars. There are even Broadway style productions.

Mary Hart >> If you're like me, your fondest memories on board Oceania Cruises are sure to include delicious food. There are so many dining venues to choose from. It's like going to a new restaurant every night. It's an open seating dining experience that rivals the finest restaurants ashore. And all speciality restaurants are complimentary. With no extra fees. Renowned master chef Jacques Pépin brings his own signature style to the Oceania Cruises dining experience. You can even enjoy Jacques personal recipes in his cozy French Bistro. Toscana brings you authentic Italian favourites and fine vintages. Polo Grill is a classic American steakhouse featuring fine cuts of beef, as well as fresh seafood. And Red Ginger awakens the senses with the flavours of Thailand, Vietnam and Japan. The Grand Dining Room serves breakfast, lunch and dinner in sophisticated elegance. And the Terrace Cafe is an inviting casual dining option in doors, or al fresco. And both offer healthy and delicious Canyon Ranch Spa club cuisine. If you have a taste for gourmet dining at its best presented in an intimate setting, try La Reserve by Wine Spectator. Be one of only 24 privileged guests for exclusive food and wine pairings and wine tastings. For the ultimate private dining experience at sea it's Privée. This exquisite dining room is perfect for intimate gatherings and may be reserved for parties of up to eight guests.
